THIS SIDE OF CARD IS FOR ADDRESS

Mr. Sam Bank,
Army Store,
Tuscaloosa, Ala.

Dear Daddy: Nov. 28, 1941 **ON MANEUVERS**

I got your card today, and was glad to hear from you. I didn't get a promotion as yet. I'll let you know when I do. It won't be in any paper. I don't know when it will come. I believe I will be out of the army in April. I have been playing a lot of bridge today. I saw a good show last night, "Tom, Dick, and Harry". It was swell. It has been warm today. I still didn't get the box. I hope the tracer finds it for me. I need it. They have been feeding us terrible up here. We are leaving here Monday, I think. I hope so anyway. I am tired of it here. I will be home about the 28th of Dec. for 15 days. You write me at Blanding, Fla. next, as we will be there next Tues. nite. Write soon, and send me Bert's mail, and send him my cards.

Love, Harold
